

108 Hartwell Rd Upgrades, Features & Highlights

Recent Upgrades & Updates

- New roof (2020) & newly painted exterior (2020)
 - Many updated windows (Anderson) throughout the home.
 - Newly refreshed bathroom and flooring on the lower level (2021)
 - New stainless steel kitchen refrigerator (2020)
-

Features

- Spacious family room with vaulted ceilings lets in an abundance of light through wood framed picture windows and Anderson patio doors.
 - The family room opens to a large wooden deck and creates a wonderful transition from indoor to outdoor space, overlooking a beautiful, natural back yard.
 - Wood fireplace in the living room creates a cozy and warm home on winter nights.
 - The lower level, which includes a free-standing gas stove, offers flexible living space that can be used as a playroom, office, guest room & more! An additional utility room on this level provides extra storage space. There is garage access from this level.
 - There is a large, unheated storage room/workshop under the family room, perfect for snowblowers, lawnmowers, sports equipment, hobbies and more.
 - Generous driveway and a 1 car garage provide ample parking.
-
