

Upgrades, Features & Highlights

Notable Upgrades & Updates

- Kitchen remodel features a beautiful walnut peninsula, farmhouse sink, white cabinets, quartz countertops, new dishwasher and disposal, and an open design.
- Sunroom remodel boasts heating, new flooring and all new windows.
- Basement remodel (2019) creates additional flexible living space across 2 rooms that can be used as a den, playroom, office, craft studio & more! Additional unfinished room provides storage and workshop space and direct access to the garage.
- Numerous Harvey window replacements throughout the home.

Features

- Hardwood floors throughout the upper level, tiled kitchen, partially carpeted basement.
- Many thoughtful and stylish touches throughout the open living area including new lighting, custom wainscoting in the dining room and a whitewashed living room fireplace.
- Sunroom opens to a composite deck overlooking a large flat backyard.
- Spacious area under the deck offers extra space for storage.
- Central air conditioning on main level.
- Master bedroom contains a convenient half bath.
- Generous driveway provides ample parking.

Highlights

- The private, fenced backyard is buffered by a peaceful natural environment! Follow the backyard path through the woods to the Shawsheen River!
- Convenient commuter location with easy access to Lexington, Burlington, Rt 3, I-95/ Rt128 and more!
- The location has sidewalks connecting the home to Bedford's town center.
- Bedford is home to numerous conservation areas and trails, and the Recreation department includes Springs Brook Park and Summer Adventures camps!
